

March 6, 1948.

LB 407, 664

SENATOR LABEDZ: I have got all I need.

CLERK: I have nothing further on the bill, Mr. President.

PRESIDENT: And Senator Labedz, you do not want to advance this bill?

SENATOR LABEDZ: No, Mr. President.

CLERK: Mr. President, Senator George asks unanimous consent to have his name added to LB 407 as co-introducer.

PRESIDENT: Is there an objection? Seeing none, it is so ordered. Senator Labedz.

SENATOR LABEDZ: Mr. President, I will not move LB 407 today. I will keep it where it is at right now as I promised because I do want to know how much Senator George's amendment will cost. I do have the fiscal note now on LB 407 and I don't want to advance it until I am sure what the cost will be on his amendment. Thank you. It was supposed to be the day after the budget bills were heard and there is no definite date on that. March 20th. The week of March 20th, then.

PRESIDENT: All right, there is a request for unanimous consent to bracket this bill until the week of March 20th. Is there an objection? Seeing none, it is so ordered. The A bill will be bracketed at the same time. LB 664.

CLERK: Mr. President, LB 664, there are E & R amendments pending.

PRESIDENT: Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature, I move that LB 664, the E & R amendments to LB 664 be adopted.

PRESIDENT: All in favor say aye, contrary say nay. They are adopted.

CLERK: Mr. President, Senator Newell now has an amendment to LB 664. That amendment can be found on page 972 of the Legislative Journal. That is offered by Senator Newell.

SENATOR NEWELL: Mr. President, members of the body, this amendment is just some clarifying language. Basically, it insures the state additional rights that it may not have to the ownership and the distribution of any additional works. It also requires that the Arts Council make an inventory every year of what is, the artworks that have been under their charge, and publish that inventory and to make sure that proper maintenance and so forth is taken care. These are just amendments that insure the state its rights and make sure that we have a good accounting of whatever additional artworks are provided for under this act. So I would urge your adoption. It shouldn't be controversial and I thank you.

PRESIDENT: Any further discussion? Senator Duis.

SENATOR DUIS: A quick question of Senator Newell, if I might. Senator Newell, do you have any update on the fiscal
